Hospital Living'

## About Registered Homes

## **Your money**

Your rent, food and support are paid for you.

You get about £20 a week to spend on what you want.

You may get some extra money called Disability Living Allowance to help pay for travel.

## **Support**

The Home picks the support staff.

A good home will make sure you help choose staff.

## **Management**

Your support staff will have a manager who will have an office at the Home.

## **Records**

A support plan and other records about you will be kept at your home.

You will be told about what is written. You can see them if you like.

The Manager will decide what meetings are held at the Home.

Social Services may pay for some or all of your support.

## **Paying for your support**

You may be asked to pay towards the support.

## **People you live with**

The Home will decide who lives there. You will have your own bedroom.

A good home will ask if you are happy with a new person moving in.
