

SIDNEY GALE HOUSE

FIRE PROTECTION INFORMATION

The home is fully covered by Fire Protection and all the staff are fully trained

The fire alarm system is tested weekly, usually over a lunchtime. You will be informed prior to the test.

When testing the alarm the fire bell will ring for a short period and all the doors will automatically close. This causes a sharp crack when the closure mechanism operates

IN CASE OF FIRE

DO NOT PANIC

STAY WHERE YOU ARE -

The fire doors will afford you protection

**FOLLOW THE INSTRUCTIONS GIVEN BY
STAFF WHEN THEY COME TO YOU.**
