Making Decisions - Your Rights

Do I have a decision to make?

Who is going to help me?

Is this someone I can trust?

I have right to:

Have good easy information

Know about my options

Talk to different people about my decision and be listened to

Communicate in the way that works for me

Have time and to feel relaxed about things

Change my mind or say 'no' to all of it

If I still don't understand how to decide, I might want someone to do it for me.

When someone makes a decision for me I have a right to:

Be involved as much as I can

Make sure they know what I want

Get a decision
which is good for
me

Make sure the
person helping
me asks a lot of
people who know
me well

Be free to change
things if I want to
in the future
