Choices for living your life

www.sourcedirectory.org.uk

Source is a new online directory providing advice, information and support for all adults in Bournemouth, Poole and Dorset, particularly those with care and support needs.

It is • **absolutely free** • **easily accessible** • **simple to use**

Source contains so much information - from finding out about the range of care available, to keeping healthy and active, to finding out about events and activities in your area. It's all on **source**

Source contains details on services provided by a range of organisations, including NHS, Citizen's Advice Bureau and Age UK to name a few, as well as information on council services.

Source is easy to use, accessible and customer friendly. You can search for services that you or someone you care for need, and find out how to access them.

The online directory includes information about:

- working and learning
- arts, culture and leisure
- health and well-being
- transport
- adult social care
- welfare and benefits
- housing and care homes
- local events

We welcome contributions to the content of **source**, so if you know of any organisations not included, let them know about this site.

Source has been produced in partnership with Bournemouth Borough Council, Borough of Poole and Dorset County Council. The look and feel of **source** is greatly influenced by adults with care and support needs and voluntary organisations.

It's completely free. Visit www.sourcedirectory.org.uk

If you do not have internet access or need assistance with the search facilities, please contact your local authority on the relevant number below:
