

CASTLEMAN HOUSE

FIRE PROTECTION INFORMATION

The home is fully covered by Fire Protection and all the staff are fully trained.

The fire alarm system is tested weekly, usually on a Tuesday between 11.00am and 1pm.

When testing the alarm the fire bell will ring for a short period and all the doors will automatically close with a sharp crack when the closure mechanisms operates.

IN CASE OF FIRE

**DO NOT PANIC.
STAY WHERE YOU ARE.**

The doors are fire doors and will give you protection.

FOLLOW THE INSTRUCTIONS GIVEN BY STAFF WHEN THEY COME TO YOU.
